Objective

I am a highly motivated software developer with expertise in web development, C, C++, Java, MySQL, React, and SQL-based data analysis. I am passionate about building innovative applications and collaborating with dynamic teams to solve complex technical problems.

Education

YBN University

Bachelor of Technology (Software Engineering)

Ranchi, Jharkhand, India

2023–Present

Saraswati Sishu Vidya Mandir

Higher Secondary Education

Ranchi, Jharkhand, India

2021–2023

Percentage: 74%

St. Columbus School

Secondary School

Ranchi, Jharkhand, India

2019–2021

Percentage: 65%

Skills

Programming Languages: C, C++, C-Sharp, Java, Python

Libraries: Pandas, NumPy, Scikit-learn, TensorFlow, Matplotlib

Development Technologies: HTML5, CSS3, ReactJS, Node.js, MS-SQL, .Net Core, React Native, MongoDB

Soft Skills: Problem-solving, Teamwork, Time Management, Good Listener

Tools: VS Code, Git, GitHub, IntelliJ, MS-DOS, Code::Blocks, Figma, Jenkins, Postman, Swagger, Clickup, Overleaf, Docker, Linux OS, VM Box, VS Studio 2022, Anaconda.

Experience

Eimple Labs

React Developer Intern

Remote

June 2024–2025

- Designed and developed a responsive Admin Panel using ReactJS (Material-UI).
- Built a component-based architecture for better code reuse and structure.
- Debugged and optimized code to improve performance and maintainability.

Eimple Labs

.Net Developer Intern

Remote

August 2025–Present

- Assisted in implementing email notification and OTP verification system.
- Supported backend development using the .NET framework.
- Integrated Google Search Console and Google Analytics for monitoring and tracking.
- Debugged backend issues and improved performance and reliability.

Jankoti Platform — www.jankoti.com

Deployed

- Full-stack .NET application deployed and live in production

Projects

Research Work: Brain-Computer Interface Progress for Smart Wheelchair Applications

- Conducted detailed research on Brain-Computer Interface (BCI) technology for smart wheelchair systems.
- Studied different BCI methods and their role in improving mobility and accessibility.
- Reviewed recent research papers and real-world implementations.

Extra-Curricular Activities

- Organizing member of Design Hackathon 2024 at YBN University, Ranchi.
- Active member of the coding club at YBN University.
- Participated in Hacathons at Arka Jain University.
